Educational Opportunities

In-depth education on the topics you need most.

Preconvention Education

From financial planning to leadership to safety these classes provide you with the tools you need to be successful.

Preconvention workshops are an add-on & require a separate registration.

Convention Education

With dynamic speakers and electrical professionals just like you, the NECA Convention will challenge the way you think, help you improve your processes & help you build a brighter future for you and your company.

Trade Show Education

Trade Show Education sessions will be held throughout the NECA Show, right on the show floor. Workshops tracks include leadership, technology and contractor solutions.

Experience North America's largest Electrical Construction trade show!

The NECA Show

The NECA Show puts you face-to-face with 300+ manufacturer execs so you can discuss your specific needs for the jobsite, shop, or office. Our goal is to provide the products and services electrical professionals need to stay competitive in the marketplace.

The NECA Show floor is an interactive classroom. This is the place to test new products and learn about solutions that will drive efficiencies and better results.
